

NEW FOR 2019
UGSA SOFTBALL EQUIPMENT DONATION PROGRAM

**PLAY IT
FORWARD**

DONATE YOUR USED OR NEW
SOFTBALL EQUIPMENT TO UGSA!

UGSA accepts and collects donations of new or used softball equipment in good, playable condition. We then distribute these donations back to the girls and coaches/teams who may otherwise not be able to afford it.

Items accepted include:

**Helmets, Bats, Gloves, Catching Gear,
Training Aids, Tees, Balls and
Facemasks.**

If your daughter has outgrown her softball equipment and you want a little more room in your garage, then donate her softball gear back to UGSA. Your used equipment donation helps promote softball to a younger generation of girls.

Trophies, T's and More in Union is a partnered drop off location for UGSA. Donations may be dropped off during normal business hours. You may also contact UGSA directly for more information by emailing Board@unionsoftball.com.
